## **Board Agenda Item**

TO: Air Pollution Control District Board

FROM: Dave Van Mullem, Air Pollution Control Officer

SUBJECT: Resolutions of Appreciation for Jon Mundt and Glenn Griffin

---

### **RECOMMENDATION:**

Adopt Resolutions of Appreciation to Jon Mundt and Glenn Griffin upon the occasion of their retirement.

### **DISCUSSION:**

Jon Mundt has retired from the Santa Barbara County Air Pollution Control District after 23 years of service. Glenn Griffin has retired from the Santa Barbara County Air Pollution Control District after 14 years of service. As their long standing service at the District shows, both Jon and Glenn played an integral role in helping to improve Santa Barbara County's air quality. They will be greatly missed by us all.

We thank Jon and Glenn for their service and wish them well in their retirement!
