SUBJECT: APCD Hearing Board Nominating Committee

RECOMMENDATION:

Select five members of the Board to serve on the APCD Hearing Board Nominating Committee during calendar year 2010.

DISCUSSION:

On February 15, 1996, your Board adopted a resolution to annually establish a standing, five member Hearing Board nominating committee, with a representative from each supervisorial district, which would make nominations for appointment to the APCD Hearing Board.

At this time, your Board is requested to select the committee to serve during calendar year 2010. The previous nominating committee consisted of Janet Wolf (Second District), Doreen Farr (Third District), Russ Hicks (Third District), Cecilia Martner (Fourth District), and Larry Lavagnino (Fifth District). The term of one Hearing Board member: David Schmarje, the Engineer representative, is scheduled to expire in December 2010.
