Board Agenda Item

TO: Air Pollution Control District Board

FROM: Terry Dressler, Air Pollution Control Officer

SUBJECT: Grant Agreement Approved by Air Pollution Control Officer

RECOMMENDATION:

Receive and file the attached brief summaries of the emission-reduction grant agreements approved by the Air Pollution Control Officer for the period of August 2, 2007 through October 3, 2007 in accordance with Board Resolution Number 02-16.

DISCUSSION:

Your Board expanded the authority of the Control Officer to issue grants for emission reduction projects up to \$150,000 provided your Board had authorized an overall umbrella program for each type of project. The attached four summary sheets describe the grants approved since our last report.
