Continued Item: No

## **Board Agenda Item**

**TO:** Air Pollution Control District Board

**FROM:** Terry Dressler, Air Pollution Control Officer

**SUBJECT:** Minutes of the July 21, 2010 South Central Coast BCC Meeting

---

### **RECOMMENDATION:**

Receive and file the attached minutes from the July 21, 2010 meeting of the South Central Coast Basinwide Control Council.

### **DISCUSSION:**

The Health and Safety Code (Section 40900) requires that each air basin, which is comprised of two or more air pollution control districts, establish a basinwide air pollution control council. This council is intended to promote coordination of air pollution control efforts throughout the air basin. The council receives reports on rule development and planning efforts, the anticipated effect of state and federal actions, and other issues of interest.

The South Central Coast BCC meets quarterly and consists of one Board Member, appointed by the Air Pollution Control Board, from each of the following Districts: San Luis Obispo County, Santa Barbara County, and Ventura County. As you may recall, Edward Easton was appointed by your Board at the January 21, 2010 meeting to represent Santa Barbara County on this Council in 2010.

The attached minutes summarize the July 2010 Central Coast Basinwide Control Council meeting. We provide such minutes to your Board on a regular basis.
