

RESOLUTION

Whereas, Rebecca Armstrong has served the Santa Barbara County Air Pollution Control District responsibly as an Air Quality Engineer since September 1987; and

Whereas, Rebecca was part of the District team that saw Santa Barbara County's air quality improve from a designation of "Serious Nonattainment" to "Attainment" of the national ambient air quality health standards; and

Whereas, during her tenure, Rebecca contributed to various Divisions and worked on a broad range of projects, including air toxics and rulemaking; and

Whereas, Rebecca represented the District with her substantial effort in developing and presenting new and amended rules at public workshops, Community Advisory Council meetings and to the Board for adoption; and

Whereas, Rebecca demonstrated persistence in completing tasks, and exhibited a great capacity for taking comprehensive notes and maintaining records for APCD files.

Whereas, Rebecca was always helpful and considerate to customers seeking information and guidance on District policies or rules; and

Whereas, Rebecca's coworkers will miss her friendly spirit and joy in planning social gatherings.

Now, Therefore, it is hereby resolved that the Air Pollution Control District Board of Directors expresses its appreciation to Rebecca Armstrong for her 27 years of service in the field of air quality and wishes her well in her retirement and future endeavors.

Passed and Adopted by unanimous vote of the APCD Board of Directors present on January 15, 2015.
