## **Board Agenda Item**

TO: Air Pollution Control District Board

FROM: Dave Van Mullem, Air Pollution Control Officer

SUBJECT: Resolutions of Appreciation for Retiring Employees

---

### **RECOMMENDATION:**

Adopt and present the attached Resolutions of Appreciation to Craig Strommen, Brian Shafritz and Rebecca Armstrong upon the occasion of their retirements.

### **DISCUSSION:**

Craig Strommen, Compliance Division Manager, is retiring from the District after nearly 33 years of service. Brian Shafritz, Technology and Environmental Assessment Division Manager, is retiring after 30 years of service. And Rebecca Armstrong, Air Quality Engineer II, has retired after 27 years of service. As their long standing service at the District shows, Craig, Brian and Rebecca all played an integral role in helping to improve Santa Barbara County's air quality. They will be greatly missed by us all.

We thank Craig, Brian and Rebecca for their service and wish them well in their retirements!
