### RECOMMENDATION:

Receive and file the following:

- A) Summary of the emission-reduction grant agreements approved by the Air Pollution Control Officer for the period of March 4, 2016 through May 5, 2016 in accordance with Board Resolution Number 09-14, including:
- a. Lompoc Unified School District – School Bus Replacement and Retrofit Program;
  - b. Fresh Venture Farms – Off-Road Equipment Replacement Program;
  - c. Rancho Guadalupe – Off-Road Equipment Replacement Program;
  - d. Fred Mellon (*FV Odyssey*) – Marine Diesel Engine Repower Program;
  - e. Miles Wallace (*FV Isla*) – Marine Diesel Engine Repower Program; and
- B) An update on grant funds allocated to the District's old Car Buy Back Program.

### DISCUSSION:

Your Board expanded the authority of the Control Officer to issue grants for emission reduction projects up to \$150,000 provided your Board had authorized an overall umbrella program for each type of project. The attached summary sheets describe the grants approved since our last report. In addition, an updated grant fund allocation report for the District's Old Car Buy Back Program is being provided.
