Continued Item: No

## Board Agenda Item

TO: Air Pollution Control District Board

FROM: Aeron Arlin Genet, Air Pollution Control Officer 

CONTACT: Lorena Saldana, Executive Assistant/Board Clerk, (805) 961-8853

SUBJECT: Appointment of APCD Board Members to Basinwide Control Council

---

### RECOMMENDATION:

Appoint one Board member to serve as the primary representative and one Board member to serve as the alternate to the South Central Coast Basinwide Control Council during the calendar year 2022.

### DISCUSSION:

The Health and Safety Code (Section 40900) requires that in each air basin, which is comprised of two or more air pollution control districts, a basinwide air pollution control council be established. The control council consists of an elected official of, and designated by, the board of each air pollution control district included in the air basin. The South Central Coast Air Basin contains the San Luis Obispo County, Santa Barbara County, and Ventura County Air Pollution Control Districts. This council is intended to promote coordination of air pollution control efforts throughout the air basin. The council receives reports on rule development and planning efforts, the anticipated effect of state and federal actions, and other issues of interest.

The South Central Coast Basinwide Control Council meets quarterly usually at the APCD office in Santa Barbara, but has been conducted remotely due to the COVID-19 pandemic. The next meeting date will be determined once members have been selected from each district. At this time, your Board is requested to appoint one member as the primary representative and one member as the alternate to Santa Barbara County APCD on the Basinwide Control Council for the 2022 calendar year. In previous years, an alternate representative has not been appointed. The previous three years of primary representative are show below:

2021	2020	2019
