Board Agenda Item

TO: Air Pollution Control District Board

FROM: Terry Dressler, Air Pollution Control Officer

SUBJECT: Minutes of the September 24, 2009 South Central Coast BCC Meeting

RECOMMENDATION:

Receive and file the attached minutes from the September 24, 2009 meeting of the South Central Coast Basinwide Control Council.

DISCUSSION:

The Health and Safety Code (Section 40900) requires that each air basin, which is comprised of two or more air pollution control districts, establish a basinwide air pollution control council. This council is intended to promote coordination of air pollution control efforts throughout the air basin. The council receives reports on rule development and planning efforts, the anticipated effect of state and federal actions, and other issues of interest.

The South Central Coast BCC meets quarterly and consists of one Board Member, appointed by the Air Pollution Control Board, from each of the following Districts: San Luis Obispo County, Santa Barbara County, and Ventura County. As you may recall, Eric Onnen was appointed by your Board at the January 15, 2009 meeting to represent Santa Barbara County on this Council in 2009. The current representative is Edward Easton, appointed at the January 21, 2010 meeting.

The attached minutes summarize the September 2009 Central Coast Basinwide Control Council meeting. We provide such minutes to your Board on a regular basis.
