Re: Request for Pilot Test at «Job_Address» in «Job_City», California

Dear «Salutation» «Last_Name»:

On «App_Recieved» the Santa Barbara County Air Pollution Control District (APCD) received your application (Form -7B and supporting documentation) for performing a soil vapor extraction pilot test at «Job_Address» in «Job_City», California. Based on the information you provided, and subject to the conditions described below, the APCD hereby approves your request.

Owner/Operator: {CompanyName}
 {CompanyAddress}
 {CompanyCity,StateZip}

Conditions:

1. The scheduled start date of the test is «Commencement_Date» and will last for approximately «Duration». The vapor extraction unit shall not operate more than 15 days.
2. The influent and effluent samples taken during testing shall be analyzed by a state certified lab.
3. A detailed report of the soil vapor extraction pilot test results shall be submitted to the APCD (Attn: *CSC Project Manager*) within 30 days of the completion of the pilot test.
4. Odors shall not be detectable beyond the property boundary. If odors are detected outside of the property boundary, mitigation measures shall immediately be taken to eliminate the nuisance potential. Upon notice from the APCD, the project shall cease immediately.
5. In the event the project produces nuisance complaints from the general public or visible dust emissions are evident offsite, the project shall cease immediately and mitigation measures shall be taken to eliminate the nuisance potential.
6. The project is within 1000 feet of {school names here}. The soil vapor extraction unit shall not operate while school activities are taking place. Work activities shall only take place between {date range here or other time periods as applicable}. {USE ONLY IF THIS APPLIES}

Thank you for your cooperation. Please include the FID and application numbers on all correspondence with the APCD. If you have any questions, please contact Vijay Pawar of my staff at (805) 961-8864.

Sincerely,

Peter Cantle, Manager
